

Exhibit 20

Dear Sir,

Few weeks ago Attorney, Mario Copogrosso, put his bag on the chair where I regularly sit. **REDACTED** moved his bag on the bench. A little later he again put his bag on the chair. Mr. Copogrosso & me had a little argument about this issue. I told him that chair is to sit, not for your bag. He tried to provoke me. I think, he thought I am an easy & soft target.

On 5/5/15 I put my bag & files on one corner of the bench as I have been putting my stuff for years. At about 12pm I left the room to use the bathroom, when I came back I saw Mr. Mario moved my bag & files and put his bag instead on the place where I kept my bag. I moved his bag on the other bench. He was looking at me and started shouting at me from outside. He came in the room and yelled at me, "Don't touch my bag!" I told him that you touched my bag and so I put your bag over there. I have nothing to do with your bag. He started yelling at me even louder. I think he wanted to provoke me, but I didn't give him any serious attention & tried to avoid him. He kept yelling at me, in the meantime Ms. Danielle came to the lawyers' room & told him "We don't want to hear it."

Then you came to find out as to what happened. I explained you everything, but he kept interfering during our conversation. You saw his attitude. I don't know as to what he was trying to prove. When you left, he again started shouting and called me "Shit". Then of course I raised my voice too.

After half an hour later I was going to the other side of the building when he passed me and said in a loud voice "Don't touch my stuff again!"

As you know, **REDACTED** & me complained in writing for his behavior. Whenever he passes me he always said "Shit".

He is more powerful and strong than me and I am afraid that one day he can physically hurt me.

Thank you for your time and assistance on this matter.

Very truly yours,

M. Sadiq Tahir
Attorney At Law
